Subject: Meeting Notes

Good morning, i need Terry's email. Bank account has been opened. I spoke to Gerard Carbonella he gave me some info and said he will not bill until we are up and running. need Rich to tell me what restrictions are in place for a phone line - I am waiting for the call on the Brooklyn school; we need to get an agreement in place for out collective understanding to be put on paper. Rich, confirm that you did not make an election for the status of the corporations tax wise. We should be an S Corp. I will filing accordingly. Let me know.

Can we also get the number for the graphic designer. My experience is that they do the website also. Lets confirm. I can make that call just need the name and number. JH
